Illustrious Sir,

I just learned of your decision to seek the office of Imperial Outer Guard of the Imperial Shrine of North America. I am extremely happy that a Shrine/Mason of our great state is willing to seek such a position of leadership in this outstanding Masonic body.

Jim I have witnessed the many years of hard work and leadership that you have provided to our fraternity as a Mason, Noble, Divan officer, and finally as Illustrious Potentate of Al Menah Shrine. I commend all of the programs that you and your team have developed this past year at Al Menah to promote the Shrine/Mason in Tennessee.

I know that you are a tireless worker in both the Shrine and in your Blue Lodge and that you and Lady Patsy have made many personal sacrifices to promote all facets of our beloved fraternity.

There is no doubt that as Imperial Potentate that you would make strides to make the Shrine of North America greater than it is today and the position that you seek is not about personal gain, but it is all about the kids and our great philanthropy and serving mankind.

Sincerely and fraternally,

Sid C. Dorris III
Grand Master
