Dear Illustrious Sir:

Let me congratulate you on seeking the office of Imperial Outer Guard of our Imperial Shrine. Your genuine support of DeMolay over the years proves your sincerity to a real understanding of how to grow the Shrine membership in the future. You have proven to be the type of role model we seek to have the young men in Tennessee look up to for leadership and guidance. I have always been proud to have you associate and participate with our DeMolay members and advisors, not only in the position of Executive officer for DeMolay in Tennessee but as a father of an 18 year old Mason & Shriner. Many in our Fraternity express an interest in DeMolay, but few step to the plate and make opportunities available for our young men as you have done. You have sought us out rather than us seeking you.

Shrine endeavors to give medical aid and assistance to young people that desperately need it to repair their lives. DeMolay can be viewed as a dose of preventative medicine for young men. Keeping them on track and preparing them as future leaders not only for our Fraternity but the leaders in our churches, schools and community. I know with your background and involvement with DeMolay in Tennessee you will continue that theme with the Shrine of North America.

I stand ready to assist you in whatever way I can to allow you the opportunity to promote DeMolay in all of Shrine.

Sincerely & Fraternaly yours,
